

Linking every subject to the world of work

Careers talks, employer led curriculum learning and work related learning

Gatsby Benchmark 4

All teachers should link curriculum learning with careers. STEM subject teachers should highlight the relevance of STEM subjects for a wide range of future career paths.

Gatsby summary

By 14, has every student had the opportunity to learn how the different STEM subjects help people to gain entry to, and be more effective workers in a wide range of careers?

"I have gained a better understanding of how school subjects relate to jobs in the world of work. I didn't know that English and Maths were so very important." (student, Potters Bar, Nov 2016)

YC Hertfordshire can support you with:

- Cross curricular audits
- Information and resources eg. subject posters
- Embedding careers education and employer engagement in the curriculum
- Training for staff on ideas for careers and work-related learning across the curriculum
- Group work – knowing which subjects link to a wide range of future career paths
