

# Morrisby Guidance Services from YC Hertfordshire

## Value of the programme

The Morrisby Guidance Service (MGS) aids the process of making careers and educational choices by providing an objective statement of a person's underlying abilities, personality and career preferences. This is based on a comprehensive set of paper and pencil tests: the Morrisby Profile (MP) and a Morrisby Careers Questionnaire (MCQ). Every student also gets their own personal account on [www.morrisby.com](http://www.morrisby.com), which has access to an extensive range of careers resources.

## Programme Summary

Every student receives a personalised report, including:

- Comprehensive and personal feedback on the Morrisby Profile aptitude and personality measures
- Detailed feedback on the Morrisby Careers Questionnaire
- Individualised career suggestions based on abilities, personality, interests and likely qualifications
- The 'Looking forward guide' providing help with Sixth Form subjects and HE courses
- Additional information on useful qualifications, entry requirements and further resources

*"The interview was very helpful for suggesting other careers and helped me with a lot of decisions I want to make." Yr 12 student, Stevenage*
